

Local author signed to publish new book.

NYC, NY. —*Tate Publishing is proud to announce the signing of celebrity actor/author Mario Bosco and his soon-to-be-published book, From Hopeless to Hollywood.*

NYC, NY, USA, October 20, 2014 /EINPresswire.com/ -- "We are so thrilled to welcome Mario into our prestigious family of Tate authors. His story uncovers what is like to be born with hypopituitarism, a condition that disables the body's ability to produce essential growth hormones. He also talks about working with various actors such as Joe Pesci, Robert DeNiro, and Bill Cosby. Mario's memoir not only gives you personal details of his life but it also captures your heart. His book will be a wonderful addition to our repertoire; and I am excited to partner with him in his publishing journey," said Mireille Mistkowski, the acquisitions editor for the book.
