Magnlia, KY— Tate Publishing and author Lynann Centers have been in discussions concerning the 2015 release of her new children's book.

MAGNILIA, KY, USA, October 21, 2014 /EINPresswire.com/ -- As a leading publisher in the industry, [Tate Publishing](#) thinks Lynann book will be a great fit for their new [2015 children line](#).

Acquisitions Editor, Mireille Mistkowski said, "Lynann's book is based on a real life animal named Eore. Eore is Lynann's therapy animal that is used to help kids that have been abused or bullied. Her book explores the effects of bullying and helping kids that are different. She wants kids to know that it is okay to be different and to look at it as having a special quality. I love what she is doing for her community. The book will be a great addition to our collection and I am excited to help her in her publishing Journey."
