

Local author signed to publish inspirational, motivating new book

MILLFORD, Iowa. — Local author Nancy Taylor recently partnered with Tate Publishing to publish her new book *Prayer Recipes*.

MILLFORD, IA, USA, October 21, 2014 /EINPresswire.com/ -- One morning, while Taylor was sitting on her dining room frantically searching for inspiration to write a book for a writing contest, she momentarily glanced at a Bible and her mom's photo. Turning off her computer, she reflected on her purpose for creating her manuscript and realized that she wanted something that would provide strength and faith to people during their most trying times.

“Life’s challenges can teach us so much about love, faith, caring, and forgiveness. There are times when one word, an inspirational thought, a prayer can change an outlook and give hope. Prayer Recipes gives readers the ingredients to use in finding a voice, whether it is from the lips or from the heart,” shares Taylor.

“I decided to seek out a Christian publisher. Tate Publishing was the first I looked at... I read their mission statement, the background of the founders and read about their staff. I prayed. I simply and literally turned it over to the Lord and asked him for direction and for doors to open,” Taylor states

when asked about her decision to entrust the book with Tate Publishing,

Published by Tate Publishing and Enterprises, the book will be available upon its release through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.
