

Tate Publishing and Authors Arlene Little and Sasha Amora Seal Book Deal!

Port of Spain, Trinidad— Tate Publishing and authors Arlene Little and Sasha Amora are set to release their new book, 'Fractions Level 1,' in early 2015.

PORT OF SPAIN, TRINIDAD, October 23, 2014 /EINPresswire.com/ -- Director of Book Acquisitions, Stacy Baker said, "Does your child or student have a hard time comprehending fractions? Author [Arlene Little and Sasha Amora](#) have a strong background in education. With their years of experience, they have the perfect book for to help your student understand math. Most students have a hard time in certain areas, Little and

Shaw will show you a few tricks that will help your student understand math like they never understood it before. Going through fractions, denominators, and more, your student will be a mathematician before you know! If your student needs help with math, this book is the one you have been waiting for!"

“

If your student struggles with fractions, this book is what you need!

Stacy Baker, Director of Book Acquisitions

Published by [Tate Publishing](#) and Enterprises, this book will be available upon its release through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.
