NEW YORK, NY, USA, October 24, 2014 /EINPresswire.com/ -- There's one thing every Directioner knows (well, there are a few things, actually): The boys love to put on a show. So, lucky for them (and us), One Direction has new dates for their On The Road Again Tour. Tickets for the tour are currently on sale at TicketHurry.com.

Announced Thursday (October 23), the band will take on more dates — this time in North America and Europe. The whole tour has the band touring through Australia, Japan and South East Asia also. The U.S. leg of the tour begins on July 9, 2015 in San Diego, California, and ends in September in Boston. TicketHurry has been One Direction's biggest supporters for all of 1D's tours and you can find tickets on their site as well as Ticketmaster and Live Nation.

"We could not be more excited about the new tour," Niall said in the announcement. "We've started rehearsing songs from the new album and can't wait for the fans to hear them live. We're just so very thankful to our amazingly loyal fans – they make it possible for us to play in these incredible places and continue to surprise us every day with their unwavering support."
