

Suddath Hires Len O'Neill for the New Role of Chief Information Officer

Global Transportation and Relocation Leader Bolsters their Technology Infrastructure

JACKSONVILLE, FLORIDA, USA, October 24, 2014 /EINPresswire.com/ -- [The Suddath Companies](#) announces a key addition to its executive leadership team with the appointment of Len O'Neill to the new role as senior vice president and chief information officer (CIO).

O'Neill brings more than 20 years of experience in Information Technology leadership across a number of industries with global reach. He brings a wealth of knowledge and leadership in technology organization, IT change management, production support and software development strategy.

Prior to joining Suddath, O'Neill served as chief operating officer and head of infrastructure, global technology for Deutsche Bank in Jacksonville, FL., as well as technology leadership roles for both CSX and Merrill Lynch.

Suddath has a rich history and impressive record as an industry leader in global transportation and relocation."

Len O'Neill

"Len will touch every level of our enterprise as he aligns our existing strategic goals and objectives with an enhanced technology infrastructure, an expansion of our technology footprint and the most effective integration of our solutions," said Michael Brannigan, chief operating officer, The Suddath Companies.

"Suddath has a rich history and impressive record as an industry leader in global transportation and relocation, and I am really looking forward to joining the organization at such a transformative time," O'Neill said.

O'Neill is active in the community, serving on the Dean's Council for the University of North Florida's College of Computing, Engineering and Construction, an advisory board member

leading a technology development program for students at Creekside High School, as well as participating in the Jacksonville CIO Council.
