

Tate Publishing and Author Lori Weiher - Beau Michael Weiher

Pagosa Springs, CO—Tate Publishing & authors Lori and Jim Weiher have been in discussions for the release of their new book about their son, Beau Michael Weiher.

PAGOSA SPRINGS, CO, USA, October 24, 2014 /EINPresswire.com/ -- As a leading publisher in the industry, [Tate Publishing](#) thinks this autobiography of Beau's life will be a great fit for their new 2015 line.

Acquisitions editor, Raimie McDaniel said, "It has been my honor to work with Lori during this process. I have learned

so much about Beau and what a wonderful young man he was. Beau Weiher, a thrill seeker who lived life to the fullest, had no fear, was a base jumper who lost his life doing what he loved. As Lori and Jim have started the healing process they have received heart warming calls, text, emails and letters from people all over the world letting them know how Beau impacted their lives. Lori and Jim wanted to do something special for Beau, so they decided to write a book in his honor. They also wanted to let the Ranges of Glacier National Park know how much they appreciate all of the hard work and time that spent helping after Beau's accident."
