

# Carolina Digital Solutions Launches Redesigned User-Friendly Website

*With a more mobile and user-friendly design, carolinadigitalsolutions.com will help reach more of the copy machine company's target audience.*

CHARLOTTE, NC, UNITED STATES, October 28, 2014 /EINPresswire.com/ -- [Carolina Digital Solutions](http://www.carolinadigitalsolutions.com) has announced the launch of a redesigned website, [www.carolinadigitalsolutions.com](http://www.carolinadigitalsolutions.com). The new site is designed to be more user-friendly and take into account the needs of mobile users, so customers get a better overall experience.

The redesign focused on being easier to navigate, with buttons that are simpler for users to find. The streamlined design will function well on computers as well as tablets and smart phones, so users will be able to access the site from any connected device. This will help more of Carolina Digital Solutions clients to

access the information and services they need.

"We are excited the new look to our site," stated William Albaugh. "We feel that we can better highlight our services and expertise to our target audience, while also making it easier for customers to reach us when they are not right at their computers."

Carolina Digital Solutions sells and leases refurbished Xerox copiers to businesses of all sizes for 30 to 40 percent off of the retail price. They also provide [copier repair service](#), maintenance and supply plans to help keep Xerox copiers running well. The company serves the entire Charlotte area and offers a one-hour guarantee on their service response times.
