

# Tate Publishing looking to sign book deal with Author R.C. Summers

*Cheyenne, WY— Tate Publishing and author R.C. Summers, are working to have his book, A Valley, available in Tate's 2015 line.*

CHEYENNE, WY, USA, October 28, 2014 /EINPresswire.com/ -- Book Acquisitions Editor, Mireille Mistkowski said, "This book is about an orphaned boy whose parents were killed in an accident when he is 8-year-old. An old couple adopted him, but he took their horse and he run away when he is nine because he felt like his siblings only made him a slave. Throughout the Story, He meets many people of various walks of life. One character that played in important role in his story is an old man named Albert Fisher, Albert owned almost 8 acres of land, and an abandoned house where the runaway temporarily stayed. Before he reached 10, the old man died and he left him a huge cash inheritance, a land and a house. His story develops with unimaginable twist and turns that will keep the reader hook. I am

excited to work possibly with him in his publishing journey; his book will be a great addition to our collection."
