

WARN International Delivers Personal Resilience Through Communication & Stress Mitigation

Mr. Lance Burdett founded WARN International after working as a crisis negotiator. His expertise enables him to provide consultancy & coaching to companies.

AUCKLAND, NEW ZEALAND, October 30, 2014 /EINPresswire.com/ -- Lance Burdett, Specialist Consultant and Coach of WARN International Ltd, was recently named a VIP member of Worldwide Branding. This special distinction honors individuals who have shown exceptional commitment to achieving personal and professional success.

Mr. Burdett has 30 years of professional experience, having recently become a specialist consultant and coach of WARN International Ltd. Throughout his career, he has set himself apart as an expert at consulting with organizations to assess their occupational well-being needs. On a daily basis, he is responsible for consulting with clients to assess their employees' wellness needs. Additionally, he acquires and builds staff on behalf of his clients, all while seeking new business opportunities to improve their

revenue. Mr. Burdett prides himself on strengthening personal resilience weaknesses in clients' workplaces to reduce negative pressures (stress) on staff. Prior to establishing WARN International Ltd, Mr. Burdett worked in construction management for 18 years, and he served with the New Zealand Police for 22 Years.

WARN
INTERNATIONAL

"Lance's knowledge and experience is obvious with his ability to present and articulate resilience concepts coaching in order to help companies with staff management services.

Mr. Burdett became a specialist consultant at WARN International after working as a crisis negotiator. After studying human psychology, he decided to take his knowledge of human behavioral skills for consulting and

Mr. Burdett attributes his success to hard work since he was very young. He always kept an open mind while looking for new opportunities to extend himself. Mr. Burdett formerly worked as a crisis negotiator with the NZ Police. After being diagnosed with accumulative stress disorder, he began studying human psychology and decided to become a consultant bringing his practical and academic experiences together. The highlight of his career was attending the FBI Negotiators national course, the London Olympics, and founding his company.

Mr. Burdett received a Master of Arts degree in Terrorism, Safety and Security from Charles Sturt University in 2011, having also earned a graduate diploma in business studies from Massey University in 2008 and a Diploma in Policing in 1996. In addition to his degrees, he is certified through an Australia Counter Terrorists Negotiators Course, as well as a crisis negotiation course sponsored by The FBI Academy. He is a member of Contact Centre Institute of NZ, the Institute of Directors in New Zealand (Inc) and the Association of Certified Fraud Examiners. He is also the NZ Director of the International Association of Hostage Negotiators, and is on the National Council for Supporting Families in Mental Illness. In years to come, Mr. Burdett hopes to expand his business internationally.
