

Synergy Builders, A Naperville Kitchen Remodeling Company, Honored With Master Design Award

Synergy Builders has won a 2014 Qualified Remodeler Master Design Award. The company specializes in kitchen and bathroom remodeling in Naperville.

WEST CHICAGO, IL, USA, October 31, 2014
/EINPresswire.com/ -- [Synergy Builders](#) is the latest winner of the Qualified Remodeler Master Design Awards competition. The [Naperville kitchen remodeling](#) company won the Silver award in the category of "Kitchens less than \$75,000" category. To be considered for this category, the entire remodeling project, including appliances, must be less than \$75,000.

The Qualified Remodeler Master Design Awards competition was initiated 36 years ago to recognize remodelers, architects, builders, kitchen and bath specialists and other professionals for outstanding project design and construction. Today, there are 23 award categories with Gold, Silver, Bronze, and Honorable Mention winners. Winning entries are selected by a panel of experts and are judged on:

- Aesthetic Appeal
- Construction Techniques
- Handling of Unusual Situations
- Attention to Detail
- Functionality of Space
- Financial Success
- Overall Impression

Synergy Builders' kitchen remodel is featured in the October 2014 issue of Qualified Remodeler magazine and on the magazine's website www.ForResidentialPros.com. The winning kitchen design features wood and quartz countertops, metal and stone mosaic tiles, two-tone cabinets, and a center island to help define the kitchen work area and add more storage space.

"It's a great honor to be recognized with this award. We were thrilled with this kitchen when it was finished and knew it was something special. This project features a transitional kitchen that

the client wanted to update to a more modern look. The finished product is sleek and stylish without being over the top," said [Nicole Ryback](http://www.synergyhomeremodel.com/), AKBD, Designer/Marketing, Synergy Builders (<http://www.synergyhomeremodel.com/>).

Synergy Builders' goal is to provide "Stress Free Remodeling" services to each and every one of their clients. The remodeler follows a 6-step process to ensure the project runs smoothly from the initial meeting to completion. In addition to kitchens, Synergy Builders offers bathroom and basement remodeling in Naperville as well as home additions and construction. The company offers a full three-year warranty on all of their craftsmanship and has been recognized as a top builder in numerous magazines.

"Our goal is always to improve not just the looks of the room but the functionality as well. So many of the rooms we see just aren't functional for today's lifestyles. We fix that. Every one of our designs is based on close consultation with the client so we can create something they will love for years to come," explained Ryback.
