

Tate Publishing Offers Book Deal to Author Jacquelyn Marston for 2014!

Tryon, NC— *Tate Publishing hopes to be working with author Jacquelyn Marston in 2014. We think her book is a perfect fit for our line.*

TRYON, NC, USA, November 2, 2014 /EINPresswire.com/ -- Director of Book Acquisitions, Stacy Baker said, “ ‘[The Origami Grasshopper](#)’ is a story written by author [Jacquelyn Marston](#) that inspires young children to value nature. Insects, such as the bees, are as important as the plants that give beauty to our surroundings and as valuable as the vegetables that we eat. Marston gives us essential information about pollination. The time is right for a book like this, and we hope to have it out in early 2015.”

If published by [Tate Publishing](#) and Enterprises, this book will be available upon its release through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.

“

Does your child know why bees are important? A must-read before it's too late!
Stacy Baker, Director of Book Acquisitions
