“

Torah refers to the first five books of the Bible that contain the blueprint for God's plans and purposes for mankind.

Terry L. Newman

HaMashiach, Jesus Christ in the New Testament. Torah refers to the first five books of the Bible that contain the blueprint for God's plans and purposes for mankind. In order to fully understand the Gospels (New Testament), one has to understand the past as presented in God's written word, understanding why it was written, what was being said about what and what it meant to those it was written to, in order to understand and apply it in our lives, today and in the future."

If published by Tate Publishing and Enterprises, the book will be available upon its release through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting www.barnesandnoble.com or amazon.com.
