

Tate Publishing and Author Wenonah Clayton In Discussions for New Book Deal

Tate Publishing and author Wenonah Clayton are in discussions concerning the 2015 release.

AURORA, COLO., USA, November 7, 2014 /EINPresswire.com/ -- As a leading publisher in the industry, [Tate Publishing](#) thinks this book will be a great fit for their 2015 line.

Acquisitions Editor Mireille Mistkowski said, "The story speaks about love and acceptance. Her book connects to the reality of children who are under foster parents' care. The plot reveals a lot about the attitude of a foster child and how they feel in the care of their foster parents. This will enlighten the readers minds on how to understand a foster kid's behavior. They will become aware of the effect of the trauma in a child's life, as well as the

child's needs. Wenonah created a wonderful book and I would be enlightened to work with her in her publishing journey. "
