*Author Allyn Atadero considering updated re-release of book "Missing" from Tate Publishing*

PARKER, CO, USA, November 9, 2014 /EINPresswire.com/ -- Colorado author Allyn Atadero is in discussions with Tate Publishing to update and re-release his book "Missing: The Jaryd Atadero Story," recounting the October 1999 disappearance in the Colorado mountains of Allyn's only son.

At the time of Jaryd's disappearance and in the days and even years following, the story received national attention and media coverage.

"Allyn's heartwrenching story is one that needs to be told, and so much has happened in the years since 'Missing' was originally released in 2008," said Mark Mingle, Director of Marketing for Tate.

"Years of anguish and questions have also given way to hope and healing, and the Jaryd's story, told by his father, will also be of comfort and encouragement to parents of other children gone missing. We were honored to play a role in the original release of the book, and the new, updated version will certainly be of interest now.

"Missing: The Jaryd Atadero Story" is the personal account of a father's painful search to discover the truth. The original edition is still for sale at [www.tatepublishing.com/bookstore](http://www.tatepublishing.com/bookstore) and on [www.amazon.com](http://www.amazon.com), and Tate is hopeful for a 2015

release of the Second Edition.
