Local author Lisa Collins has recently teamed-up with Tate Publishing to kick-start the publication process of her new book, *Bible Verse Bejule*.

LEBANON, PA. -- , UNITED STATES, November 11, 2014 /EINPresswire.com/ -- Local author Lisa Collins has recently teamed-up with Tate Publishing to kick-start the publication process of her new book, *Bible Verse Bejule*.

Its fun, it's educational, and it teaches a lot of Biblical morals. What more could you ask for?

*Shannon Lloyd, Acquisitions Editor*

*Bible Verse Bejule* is Collins' fun and creative way of getting children to learn about the Bible. Portraying Bible verses in the pages, children are asked to guess which Bible verse is shown in the pages.

Inspired by her three grandsons Benjamin, Jude, and Leland,

Lisa decided to collate a book that would make the Christian experience fun for children all over the world after she noticed that children in Sunday school had not been studying Bible verses from the actual Bible anymore but through handouts with a few verses on them.

"After I finished writing the book, I did some research on Christian Publishing Companies. After reading Tate's Statement of beliefs I was immediately taken with them," shares Collins, when asked about her decision to sign the book with Tate.

"Lisa's book incites interactive Christian learning especially for children. Its fun, it's educational, and it teaches a lot of Biblical morals. What more could you ask for?" shares Shannon Lloyd, Acquisitions Editor of Tate Publishing.

Published by Tate Publishing and Enterprises, the book will be available upon its release, through bookstores nationwide, from the publisher at [www.tatepublishing.com/bookstore](http://www.tatepublishing.com/bookstore), or by visiting [barnesandnoble.com](http://barnesandnoble.com) or [amazon.com](http://amazon.com).

Lisa Collins lives in a small town in Pennsylvania. Her passion for writing her books comes from her wonderful children, Derek, Jonathan, and Kaitlyn, and her four adorable grandchildren, Benjamin, Jude, Leland, and Aria. During her spare time, Lisa loves listening to contemporary music and playing with her grandkids. She is now working on her second installment for *Bible Verse Bejule*, which will include *Bejule's* cousin, Aria.
