

# Californian author to publish book on evangelization

*Local author William Chipman has recently teamed up with Tate Publishing to kick-start the publication process of his new book, title to be announced soon.*

PETALUMA,, CALIF.--, UNITED STATES, November 11, 2014 /EINPresswire.com/ -- Local author William Chipman has recently teamed up with Tate Publishing to kick-start the publication process of his new book, title to be announced soon.

“

Chipman's creation completely teaches you about the 'third way' of living complete with God.

*Shannon Lloyd, Acquisitions Editor*

Geared on by Chipman's hope of bringing out answers to questions that believers ask, the book revolves around the theme of God's unfailing love and being able to understand what and how God's plan fits in with each one of us.

"There's a huge emphasis on Bible scripture references in the end notes for personal study about the principles acted out by the characters in the story... I saw a need among Christians to understand how to bring Christ into their daily lives," shares Chipman, when asked about his key inspiration to writing the book.

Published by Tate Publishing and Enterprises, the book will be available upon its release through bookstores nationwide, from the publisher at [www.tatepublishing.com/bookstore](http://www.tatepublishing.com/bookstore), or by visiting [barnesandnoble.com](http://barnesandnoble.com) or [amazon.com](http://amazon.com).

Acquisitions Editor of Tate Publishing, Shannon Lloyd expressed her enthrallment about having Chipman as a part of their family, "We are glad to be partnering with an author who has such a big heart... the book completely teaches you about the "third way" of living complete with God," said Lloyd.

"Tate Publishing does their best to help their authors. They print books, which means that they put something at risk...[through them] I get to field questions from people that may help them understand about what it means to be a follower of Christ," said Chipman.

William Chipman is a retired merchant seaman and engineer. He lives in Petaluma, California with his wife. Together they lead an Awana Club for kids. William likes to spend his free time doing personal evangelism and sharing the gospel with people. His trust in God has inspired him to do missionary work in Africa and to volunteer in India.
