BROOKSVILLE, FLA. -- , UNITED STATES, November 11, 2014 /EINPresswire.com/ -- Local author, minister, musician to publish children's book with major publisher

This beautiful book demonstrates the character of love and friendship in the most fascinating way!

*Raimie McDaniel,
Acquisitions Editor*

The *The Tree and the Star* is a children's book about a tree that looks up to the sky and is enamored by it. The book talks about God's purpose for creation, friendship and love. It is geared toward elementary school ages and intended to be a tool to enhance a parent's relationship with a child through storytelling.

When asked about their decision to sign the book, Tate Publishing acquisitions editor Raimie McDaniel responded, "We are delighted to welcome Pete into our family of Tate authors.... This beautiful book demonstrates the character of love and friendship in the most fascinating way!"

"This book started as an elaboration on a poem I wrote back in the '80s when I had a passing crush on Susanna Hoffs from the Bangles...I thought about how infatuated I was with her and she would never know I existed. Hence, I was like a tree that loved a star. I have lost the poem over the years, but I never forgot the premise," shares Pete. Pete hopes that the story will eventually be read by families and will make an impression on young lives.

Published by Tate Publishing and Enterprises, the book will be available upon its release through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.
