

Local author to publish overwhelming, inspirational book with Tate

*Local author Shayla Taylor is set to partner with Tate Publishing Enterprises to debut her inspirational book, *Waiting on the Lord*.*

RALEIGH, N.C. -- , UNITED STATES, November 11, 2014 /EINPresswire.com/ -- Local author to publish overwhelming, inspirational book with Tate. Waiting on the Lord is all about overpowering depression caused by infertility. Taylor hopes to let readers find hope and peace, and eventually to be able to trust in God's own plan.

“

Waiting on the Lord is a very touching read and, personally, hits close to home. Taylor's vulnerability shows through and through and will be very helpful to many.

Shannon Lloyd, Acquisitions Editor

In 2009, Shayla Taylor received news that was bound to devastate her. With only a 5% chance of ever naturally conceiving a child, Taylor was caught off-guard and heartbroken.

"Waiting on the Lord is a very touching read and, personally, hits close to home. Taylor's vulnerability shows through and

through and will be very helpful to many," said Shannon Lloyd, acquisitions editor of the book.

Taylor trusts that readers will respond positively to the book. "Although Waiting on the Lord is about coping with infertility, I believe readers struggling with waiting on a promise from God will also find it encouraging," says Taylor adding that, "Those coping with infertility will be able to relate to the transparency of feelings in Waiting on the Lord."

Tate Publishing Enterprises is thrilled be partnering with Shayla Taylor to publish this sympathetic and heart-warming story for people in all walks of life.

Published by Tate Publishing and Enterprises, the book will be available upon its release through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.

Shayla Taylor is a wife to an amazing husband and a mother to a precious little girl that she absolutely adores. She struggled with the process and burden of barrenness. Through the grace of God, she was able to overcome the weight of defeat, brokenness, and marital stress caused by it. Only after giving these burdens to God, was Shayla able to be healed. Today she is a proud mother because she trusted God's word to be true.
