

"Next Generation Intelligence, Surveillance & Reconnaissance" Symposium Announced (December 11-12, 2014, Arlington, VA)

Announcing An All New Cutting-edge Symposium on the Latest Opportunities, Needs and Challenges in ISR

ARLINGTON, VIRGINIA, UNITED STATES, November 11, 2014 /EINPresswire.com/ -- This outstanding Next-Generation ISR symposium will assemble the Key Organizations and the Senior Leading Experts that are executing current ISR requirements and shaping the direction of future ISR capabilities

for the services and public service sectors. The Services' ever increasing roles for ISR assets are permeating across

a very broad range of critical missions, including but not limited to: Persistent Global Surveillance & Global

Strike, Counter-intelligence & Counter-terrorism, Maritime Domain Awareness, Space Defense, Anti-Access and

Contested Global Commons. From Iraq and Afghanistan to the increasingly tumultuous Asia-Pacific region and

even home to CONUS, the need for diverse and evolving leap-ahead ISR technology is paramount.

- What are the latest OSD and Service ISR strategies, roadmaps, needs and new initiatives?
- What are the crucial gaps in providing actionable intelligence to decision makers and the warfighter?
- What are the emerging ISR capabilities from unmanned aircraft platforms?
- What are the latest requirements, trends and capabilities for ISR sensor imagery?
- What new approaches are emerging for ISR missions such as homeland security, special operations and C2ISR?

Special Presentations by:

■ Lieutenant General Raymond Palumbo, USA, Deputy Undersecretary of Defense, (Intelligence) for Joint and Coalition Warfighter Support, Director, DoD Intelligence, Surveillance and Reconnaissance Task Force

■ Lieutenant General Robert "Bob" Otto, USAF, Deputy Director of Staff for ISR, HQ USAF

■ Colonel Laura Ryan, USAF, Director, Plans and Programs, 25th Air Force

Plus The Leading ISR Experts from: DUSD(I),

Joint Staff J25, US GAO, NRO, 25 AF Joint Base, HQ USAF, 480 ISR Wing, USN N6,

AFRL, USMC, BAE, Northrop Grumman, Booz Allen Hamilton, General Dynamics,

Baltimore Police Dept., Netspective, IARPA, CENSA, Haivision, and CSFI will be

presenting...

- Government and DoD Emerging ISR Needs & Requirements
- Next-Generation ISR Mission Challenges, Capabilities and Opportunities – Airborne, Maritime, Homeland Security, Special Operations and more!
- The Most Critical Capability Gaps and Needs in ISR Information Sharing and

Dissemination and Emerging Opportunities Next-Generation ISR
(Intelligence, Surveillance & Reconnaissance)
Co-Sponsor: The Cyber Security Forum Initiative (CSFI)
