

Taste The 1850's with Liberty's Endeavour 'Old Tom' Gin

VANCOUVER, BC, CANADA, November 18, 2014

/EINPresswire.com/ -- Just in time to embrace winter, Endeavour Old Tom (barrel aged limited release) is the newest Gin to join Liberty's Signature spirit line-up. Old Tom begins with our 100% organic BC triple distilled wheat spirit. Using a botanical gin basket, an elaborate blend of (10) botanicals are slowly infused during re-distillation in our single copper pot still. The Gin is then further macerated with a blend of (5) additional local and traditional botanicals before resting in 220-litre French Oak barrels for several months, to slowly gain character, complexity and colour.

Inspired by a gin recipe popular in the 19th century, Old Tom is a full-flavored, full-bodied, mahogany-colored gin with a rich, intense nose. On the palate there is a pronounced spicy Christmas cake character with notes of juniper, mint, orange blossom, and mulberry, all intertwined with the oak to produce a mouth filling assortment of enticing flavours. The finish is long, powerful, spicy and compelling.
