

FlipBuilder Upgraded Its Flipbook Software With Enhanced Multimedia Page Editor

Creating flipbook pages just got easier with the upgraded Page Editor within Flip PDF Professional.

HONG KONG, HONG KONG, CHINA, November 18, 2014 /EINPresswire.com/ -- Flip PDF Professional is a desktop application that has enabled the effective transformation of stagnant PDF files into vibrant and interactive Flip books. Flip PDF Professional is now proud to unveil to all users the latest upgrades in its professional editions of the flipbook software: [Flip PDF Professional V2.1.13](#). Users will now find the latest upgrades to add to the convenience that Flip PDF Professional already so readily makes available.

The Page Editor integrated within Flip PDF Pro has now taken creating Flip books up to another level with its intensified productivity and maneuverability. With the new and improved Flip PDF Pro, users can now engage in transforming regular PDFs into alluring page turning e-books. The Page Editor is far more user friendly in its newest form which eases the job for newbies trying out this software. This edition is bound to ease the process of disseminating documents.

The enhanced Page Editor induces users to create [individualized flip books](#) that are highly interactive. The Flip PDF Pro is distinctly more advanced in comparison with its standard version owing to the enhanced Page Editor. This prominent characteristic allows users to get creative and add rich animated media into the flipbook by way of a simple drag and

drop.

More elaborate still is the fact that this software warrants users to go beyond text and embed YouTube video, hyperlink, animated text, image gallery, audio file and Flash into the flipbook as well. The upgraded version of Flip PDF Pro v2.1.13 encourages users new and experienced to annotate all forms of media, text and animations to make the flipbook more vibrant and attractive. This software is ideal for fashion interactive, engaging flip books with the brilliance and convenience now added on with its Page Editor.

About Flip PDF Professional

Flip PDF Professional is a publishing solution that enables the conversion of PDF documents into highly interactive and alluring media. It encompasses the ability to embed YouTube video, Hyperlink, animated text, image gallery, audio file and Flash into the book page and create a lively flipbook for the intended audience. The enhanced page editor is the latest addition which further conveniences users and makes the flip book creating experience even more elevated.
