

Petroleum Development Oman and Shell Development Oman to host the 10th Annual Asset Integrity Management Summit

Petroleum Development Oman and Shell Development Oman will host the 10th Annual Asset Integrity Management Summit taking place from 1-4 March 2015 in Muscat.

DUBAI, UNITED ARAB EMIRATES, November 21, 2014 /EINPresswire.com/ -- Petroleum Development Oman and Shell Development Oman will host the 10th Annual Asset Integrity Management Summit taking place from 1-4 March 2015 in Muscat, Oman. The event has been taking place for two consecutive years in Muscat however the coming edition has been themed around leadership, design, operational and technical integrity, focusing on key asset integrity successes of oil and gas operators within Oman and the Middle East. It also includes In-Country Value (ICV) initiative and will showcase SME's who supply asset integrity services locally in Oman and the GCC.

Despite a fast-growing understanding in the Middle East for the need for robust, world-class AIM systems and processes across oil and gas operations, AIM professionals still face a number of challenges that are peculiar to the region. The summit, researched and

developed by Oil and Gas IQ – a division of global events company IQPC – will discuss strategies and solutions to the day-to-day challenges plant owners and operators face in safely maintaining their assets.
