Local author Amber Rice Miller has teamed-up with Tate Publishing to publish her book, "A Word of Truth".

BALTIC, OHIO -- , UNITED STATES, November 25, 2014 /EINPresswire.com/ -- BALTIC, Ohio -- Local author Amber Rice Miller has teamed-up with Tate Publishing to publish her book, "A Word of Truth".

A compilation of fifty-two articles with reader's feedbacks and personal thoughts from Miller's newspaper column, "A Word of Truth" is dedicated to helping people get a better understanding of how good the Lord really is.

"Understanding how good God is has truly revolutionized my life and is my inspiration for writing. I have been a Christian for a long time, but it was only in the last few years that I have come to see God in light of what He is truly like. It is a passion of mine to share what I have learned with others so hopefully they can come to know Jesus better as well. This has been my inspiration for writing my column and many people told me I should put all my articles into a book. It has been surprising to me the amount of people that tell me they cut my articles out each week and refer back to them. Hopefully having a book of my articles will serve as a blessing to them and others as well," shares Miller on the inspiration behind her book.

“

Amber makes you see God in light of His pure goodness, love, and grace in "A Word of Truth."

Understanding the new covenant of grace versus the old covenant of law is a huge subject that many people don't understand and I address this in detail in the book."
