

TECPOS LEGEND OF HYDRAULIC MACHINES AND TOOLS BOOSTS PRODUCTIVITY AND PROFITABILITY IN WORKS

SEOUL, SOUTH KOREA, November 24, 2014 /EINPresswire.com/ -- Haekeon Corporation (<http://www.haekeon.co.kr>), a Korea-based machinery and consumables distributor, releases TECPOS Legend of hydraulic machines and tools which has been widely used for shipyards and construction sites including the world's leading workplace.

Owing to its highly performing capability and excellent quality, TECPOS Legend of hydraulic machines and tools awarded the Presidential Award for high quality industrial machines as well as CE and ISO certification.

Haekeon Corporation has a wide range of hydraulic equipment lines including hydraulic cylinder, hydraulic pump, hydraulic hose, hydraulic Jack, hydraulic Punch, hydraulic accessories, and hydraulic system air driven liquid pumps at power unit.

In addition to machinery products, the company has currently provided household products including wood washbasin based on its own technology and offered foods like Korean Kimchi macadamia through harmony Korean sausages.

Haekeon Corporation was established in Korea in 1985 and is now one of the most experienced exporters and distributors of Korean products into global market.

"We have achieved this success through the hard work of our employees, who have superior knowledge and experience in this industry. Our growth and success can also be attributed to the continued support and cooperation of our customers and suppliers," said Mr. Kim, Keon Ho, a sales and marketing manager of Haekeon Corporation.
