Conference & Exhibition**

from a £200 saving on attendance.

“KIHSE-2015 is intended to become a platform for involved oil companies, their prospective suppliers and members of the civil society to meet and network, benefiting from Kuwait’s remarkable advancements in the HSE fields,” said Dr Fatemah Al-Shatti, Chairperson of the KIHSE Steering Committee.

Additionally, the KIHSE conference, will be conducting several activities that aim to inform and educate students and younger members of the audience about the advantages of having proactive and forward-leaning HSE Policies and effective management systems, according to KPC sources.

An adjacent specialized exhibition will permit more than 50 companies to showcase the latest in HSE technologies and services. This exhibition will boast national, regional and international companies, providing them with the opportunity to present their latest products and services.

KIHSE is an initiative by KPC, and is organised in collaboration with Global Events Partners Ltd (GEP), a major UK-based event management company affiliated to the dmg::events network.
