

Newly-redesigned Care To Click shopping feature allows holiday shoppers to save money while making an impact

Care To Click redesigned its shopping feature. Holiday shoppers who compare prices and save on their Christmas shopping prompt donations to worthy causes.

BOYNTON BEACH, FL, USA, November 25, 2014 /EINPresswire.com/ -- BOYNTON BEACH, Fla. - As Thanksgiving approached, Care To Click introduced its newly-redesigned online shopping feature that allows holiday shoppers to support the charitable causes they care about while saving money on millions of gifts.

Smart shoppers can access the Care To Click online shopping feature using the drop-down menu underneath any of the 10 primary supported causes. Simply enter a product name in the search bar and Care To Click will present a list of choices from major retailers, allowing for price comparison.

“

By using Care To Click, shoppers can compare prices across thousands of retailers, save money, and help make the world a better place.”

Tracilyn Scala

Every time a purchase is made using the Care To Click online shopping feature, Care To Click makes a donation to the cause chosen by the shopper.

“This is the time of year that everyone takes to the internet for their holiday shopping,” Care To Click founder Tracilyn Scala said. “By using Care To Click, shoppers can compare prices

across thousands of retailers, save money, and help make the world a better place.”

Holiday shoppers using the Care To Click shopping feature can choose from more than one hundred million products offered by more than 10,000 retailers that range in size from giants like Walmart, Target and Best Buy to small boutique shoppes.

Shoppers buying their Christmas gifts through the Care To Click shopping feature can choose to have their purchases fight cancer, help children in need, aid disaster victims, provide education, protect the environment, end hunger, protect rescue pets, save the rainforest, provide clean drinking water or preserve wildlife.

“The holiday season is a time for giving back,” Scala said. “We're proud to be able to help people give

back to their community and make a positive impact on the world with their holiday shopping.”

Care To Click's redesigned online shopping center has simplified the process of shopping for a cause while still providing an aesthetically pleasing experience.

Users can make an impact by purchasing a wide range of gifts, from household items, to sporting goods, to auto parts to electronics.

And shoppers don't have to wait for Black Friday to start making a difference. The Care To Click online shopping center is already open for business.

About Care To Click (<http://www.caretoclick.com>): Founded in 2012, Care to Click is different from other social action sites in that every small action a visitor performs on the site benefits user-designated causes. Visitors to CareToClick.com can prompt charitable donations by clicking, tweeting, accepting free offers and even making online purchases. In 2013 Care To Click launched the Care Page - a platform that allows registered charitable organizations to raise money for their specific causes.
