Elisabeth Ashley has been featured on MTV, VH1 and BET. Having the nostalgia of the reigning Queen of Pop Ms. Britney Spears as well as the lyric depth you might find in an Ellie Goulding's song, she sure knows what we all like to hear. Having opened for Jive Recording Artist, Miguel, as well as playing world renowned venues, she's quite the performer. As Valley Scene Magazine put it "With a good range of depth and

emotion in her voice and lyrics, Elisabeth is one artist who won't fade out anytime soon."

Aside from her music career, Ashley also focuses some of her time on Eforfashion.com a fashion blog known for its affordable high fashion posts for moms on the go.

Produced by Tate Music Group, the album "Eye' Coming Soon" will include 9 tracks which will be available nationwide at the iTunes Store, Amazon.com, or directly from TateMusicGroup.com.
