

# Chad Lieberman From 6WSEO Teaches Make Your Website Number 1 with This Top Guarded SEO Secret

---

*Chad Ian Lieberman, the lead SEO consultant at 6WSEO.com today announced the release of a new blog post that will "change the lives of many website owners".*

NEW YORK, NY, USA, November 29, 2014 /EINPresswire.com/ -- Announcing this new development, Chad explained that what the company has packaged in this new publicly accessible training via its blog at [www.6WSEO.com/blog](http://www.6WSEO.com/blog), is a secret that most leading SEO experts never want released; a secret that will change how website owners approach search engine optimization and their perception of it.

"In this post, we explain a heavily guarded SEO secret that allows us to help website owners rank their websites on top of Google almost instantly and stay there. This same secret has also been used by some of the other top SEO agencies and some website owners to rank their websites right at the top of the leading search engines", said Chad.

A quick visit to some of the leading SEO related forums online indicated that a majority of website owners struggle to rank on the first three pages of Google leave alone the top position on the first page of the results. If this 'secret' is something to go by, then those who discover it are going to be at a very distinct advantage.

"We dare those who read this post on our blog to try it out. If you do not rank right at the top and will have followed our advice to the tee, we will give you a free SEO makeover. Just demonstrate that you did everything we advised and if we are satisfied that you did and yet you failed, we will do it for you and give you a full SEO makeover at no cost. That's how sure we are of this secret way of ranking", declared Chad.
