

# Protegrity Advisors Releases Q3 National M&A Report

LONG ISLAND, NEW YORK, USA, December 3, 2014 /EINPresswire.com/ -- LONG ISLAND, NY, December 3, 2014 -- Leading M&A advisory firm, Protegrity Advisors has published an aggregated industry report outlining Q3 2014 mid-market M&A performance. Following its regional insights report for Long Island activity, the company has broadened its analysis to a nationwide sweep of 9 industries highlighting year-over-year shifts in average transaction values, deal counts, and sector growth.

Along with an improving economic climate, M&A continues to show strong momentum with an increase in activity and valuations throughout most industries – and in particular within the Consumer sector.

*Bruce Newman*

Key transactional points include a 19% increase in transaction volume over Q3 2013 along with a notable 57% surge in average deal value. “Along with an improving economic climate, M&A continues to show strong momentum with an increase in activity and valuations throughout most industries – and in particular within the Consumer sector,” said Bruce Newman, President of Protegrity’s M&A practice.

Protegrity Advisors provides M&A market reports at no cost to business owners who want to better educate themselves on

the latest business valuations and sector trends.

## About Protegrity Advisors

Protegrity Advisors is a leading regional M&A advisory firm serving multiple business sectors in the lower middle market (\$5 million to \$100 million in revenue). The company’s deal team has all completed business divestitures, acquisitions and finance transactions as CEOs, Presidents, General Counsel, and senior business executives. The company employs a lean business model that makes its fee structure significantly more competitive than traditional M&A advisory firms.
