

# Introducing the 12th Annual Controlled Release Conference 2015

*SMi is proud to announce the 12th annual Controlled Release conference will be taking place on 20 – 21 April 2015 in London, UK. Registration is now live.*

LONDON, ENGLAND, UNITED KINGDOM, December 4, 2014 /EINPresswire.com/ -- [Registration](#) is now underway for the 12th annual [Controlled Release](#) Conference. The event is set to explore the latest developments in oral and ocular [drug delivery](#), addressing alternative pathways for controlled release delivery and how to overcome assessment and formulation challenges.

With a strong international focus and leading industry innovators, SMi is pleased to announce that Professor Abba Creasey, Senior Scientific Director, Primary Container & Drug Delivery Systems/PDM, Janssen, will explore Implantable & Injectable Drug Delivery Technologies for extended release of small and large molecules, looking at the following areas:

- Hydrogel based sustained delivery of protein therapeutics and vaccines
- Biodegradable and customizable polymeric drug delivery systems
- Affinity peptide matrix for controlled delivery of protein therapeutics
- Polymeric depots for delivery of drug combinations

## KEY PRESENTATION HIGHLIGHTS INCLUDE:

- Spotlight on innovations in oral drug delivery systems
- Learn how to achieve optimal parenteral drug delivery outcomes
- Discover new and novel platforms to overcome the challenges of long term drug delivery

- Examine how GlaxoSmithKline are achieving successes in ocular delivery over a long period of time

#### OTHER KEY SPEAKERS INCLUDE:

- Dr Ian Catchpole, Senior Investigator BioPharm Innovation, GlaxoSmithKline
- Professor Howard Stevens, Emeritus Professor, University of Strathclyde
- Dr Daniel Schweizer, PhD, Functional Lead, Technical Research & Development, Biologics Process R&D, Pharmaceutical Development, Novartis AG
- Teófilo Vasconcelos, Senior Formulation Scientist - Pharmaceutical Development, R&D Department, Bial
- Dr Morten Allesø, Principal Pharmaceutical Researcher, Biologics and Pharmaceutical Science, H. LundbeckA/S
- Dr Sabine May, Scientific Assistant, Boehringer Ingelheim Pharma
- Mark Wilson, Director, Collaboration Management, Europe, Platform Technology and Science, GlaxoSmithKline

Book before 19th December and save £400
