

Paramount Builders Receives Roaring 20 Award

Virginia-based exterior remodeling company among 20 dynamic businesses in Hampton Roads chosen for their commitment to success.

VIRGINIA BEACH, VIRGINIA, USA, December 4, 2014 /EINPresswire.com/ -- Residential remodeling company [Paramount Builders](#) has been named to the Roaring 20, a list that includes some of the fastest-growing companies in the Hampton Roads region of Virginia. Paramount Builders is a Virginia Beach-based company that focuses on exterior projects such as window replacement, roofing and vinyl siding.

"We are honored to receive this award and be recognized among the top 20 Hampton Roads businesses," said Ed Augustine, CEO and president of Paramount Builders. "We attribute our success as a company to our strong commitment to customer service, as well as our use of skilled workmanship and superior quality products."

Founded in 1991, Paramount Builders now has showrooms in seven locations throughout central and eastern Virginia, including Chesapeake, Newport News and Virginia Beach in the Hampton Roads region. The company employs more than 380 people and continues to grow.

In its fourth year, the Roaring 20 awards are sponsored by Inside Business, a local financial journal, and Cherry Bekaert, a business growth partner. To be eligible for the award, companies had to meet several criteria. They must have launched their business before the 2011 fiscal year, be based within Hampton Roads, experienced at least three years of growth and developed at least \$2 million in gross revenue for 2013.

Aside from business growth, winners are chosen based on their commitment to success and ability to serve as models for the community. Cherry Baekert confirmed each finalist's financial information and conducted interviews with representatives from each company. The winners were determined by a five-member advisory panel.
