

12 Volt Technology Officially Launches in USA

12 Volt Technology the Australian leading e-commerce company for outdoor and marine products has expanded into the USA offering some outstanding products.

BOCA RATON, FL, USA, December 5, 2014

/EINPresswire.com/ -- With the huge success that 12 Volt Australia has had in the past few years, they have decided to launch into the larger USA market targeting the Boating, RV and outdoor recreational market. Being a leader in Australia online with electronics and knowing the industry with a veteran team they are bringing a huge knowledge base and extensive product range.

Electrical equipment such as battery chargers and Inverters are a necessity in almost all boats and RV's and finding a retailer that is dedicated to catering for both markets and being able to offer the necessary technical support is important. When it comes to quality battery chargers for boats, the marine [battery charger](#) from [Promariner](#) such as the ProSport 8 is a great option. The Promariner range of battery chargers are specifically designed to be used in boats and are designed to handle the marine environment and survive long term. For those that need a charger for RV use the Xantrex 10 Amp Battery Charger which is On Sale for \$142.99 is perfect due to its drip-proof case design which makes it more for the RV application.

12 Volt Technology also carries an extensive range of inverters, ranging from something small and compact such the ProMariner ProSport Cup Holder 150W [Inverter](#) which is on sale for \$33.99. It is perfect for tablets or laptops anything that needs up to 150 Watts. However if there is a need for some more serious power then Xantrex has a full range of inverters, such as the 2000 Watt True Sine Wave Inverter which on is Sale for \$336.99 where these normally sell for well over \$600.

12 Volt Technology has everything you need for your Boating and RV needs, ranging from 12 Volt Battery Chargers, Inverters, Satellite Antennas, 12 Volt LED TV, Radar, Fishfinder, Marine Stereo and Speakers and much more. They stock the Best Brands at the Best Prices such as KVH, Raymarine, Lowrance, Majestic, Fusion, Garmin, ProMariner, Xantrex, and many others. Follow 12 Volt Technology on Facebook and Twitter to get access to the latest daily deals found at
