OVERLAND PARK, KS, USA, December 2, 2014 /EINPresswire.com/ -- [Global Connections, Inc.](http://GlobalConnections.Inc.), a full service travel agency, travel club fulfillment and service provider and resort developer has launched a re-branded member web site to better serve its travel club members and distributor clients.

As Global Connections continues to evolve to be the most comprehensive single-provider travel solutions organization in the US and abroad, the new web site is a one stop destination for members of its travel club, [Global Discovery Vacations \(GDV\)](http://GlobalDiscoveryVacations(GDV)).

Global Connections Launches New Web Site

Global Connections, Inc. (GCI) officially opened on July 19, 1996 with a singular mission: to give families the opportunity to take affordable vacations. Over the years, GCI fine-tuned the travel club services and leisure benefits. As the number of members grew so did demand for resort locations. In 2004, GCI purchased its first resort, Sea Shells Beach Club in Daytona Beach, FL, and turned a failing hotel into a thriving condominium resort location. Since that time, Global Connections has developed and/or renovated four resort properties, all remaining in its management and in use for members of the travel club.

“

Our mission is to continue to improve the quality of everything we do so we may provide consistently superior services to our members.”
