

Hot Club of Spokane Begins Debut Recording Project to Celebrate Bing Crosby, Local Music Icons

SPOKANE, WASHINGTON, UNITED STATES, December 11, 2014 /EINPresswire.com/ -- Can you name a Bing Crosby tune that is not a Christmas song? You're not alone – in a survey of local residents, many people in Spokane couldn't. Hot Club of Spokane is recording an album of over a dozen songs that celebrate Spokane's incredible music heritage, focusing on the music of Bing Crosby, Mildred Bailey, and Al Rinker – all from Spokane.

Led by rhythm guitarist Garrin Hertel, Hot Club of Spokane has recognized the uniquely rich musical history of the area. Founding members of the group met for the first time less than one mile from the Mission Swimming Pool. In that spot almost a century ago Al Rinker recruited the "happy-go-lucky" Bing Crosby to play drums in his band called The Musicaladers. At the time Al's sister, Mildred Bailey, had been corresponding

with both Al and Bing from Los Angeles. She encouraged them to come find work with her in the booming music industry of the 1920s. Al and Bing left Spokane in 1925, and soon became two parts of Paul Whiteman's Rhythm Boys. Mildred also joined the Whiteman Orchestra, and she became the first woman to front a national touring dance band, paving the way for others like Billie Holiday and Ella Fitzgerald.

In order to support the debut CD of Hot Club of Spokane, there is a <u>Kickstarter crowdfunding</u> <u>campaign</u> in place. This campaign will run until January 2nd.
