

Grand Changes Made at Occidental Grand Punta Cana First Club Lounge

SANTO DOMINGO, DOMINICAN REPUBLIC, December 19, 2014 /EINPresswire.com/ -- While the U.S. was busy with Thanksgiving, [Occidental Vacation Club \(OVC\)](#) was putting the final touches on fresh new renovations to its exclusive First Club Lounge. Grand re-opening festivities took place this week—just in time for holiday travelers to enjoy.

With \$1.4 million in renovations being poured into the spectacular resort, the First Club Lounge is now modernized, colorful and exceptionally comfortable. The refurbishments have expanded both the reception and waiting area, where First Club Members arrive to enjoy a welcome beverage and private, attentive First Club Concierge check-in services.

Always serving premium beverages, the bar area is now much larger than previously with the addition of a generous seating area with tables to enjoy a quiet, quick breakfast or snack, away from the hustle and bustle of the plentiful and busy buffet. First Club Members will now delight in the recent addition of a homey living room-style area complete with big screen TV and comfortable couches.

Just outside the expansive picture windows with views of the blue Caribbean First Club members can relax in

a Jacuzzi®, hanging chairs, poolside beds and an outdoor lounge.

"It's completely new, and it reflects exactly what the First Club is: comfort, relaxation, service and fun," said Luis Namnum, President of [Occidental Vacation Club \(OVC\)](#). "The new First Club area is terrific

place to hangout, listen to music, and meet up with new and old friends over a tropical cocktail or two."
