

Egyptian government to develop multimodal transportation infrastructure

Did you know 30,000 people died & more than 150,000 were injured in Egypt from 2008 to 2013 in traffic-related accidents due to poor transport infrastructure?

CAIRO, EGYPT, January 6, 2015

/EINPresswire.com/ -- The country's new National Development Plan has allocated over US\$10 billion to improving the situation on several very exciting, financed projects.

Ministry officials, regional authorities, financial services and industry leaders from Egypt are due to speak at the Egypt Transport Infrastructure Summit. This three-day event, taking place from 27 – 29 January 2015 in Cairo, Egypt is dedicated to addressing current and future projects that are being developed in the country to improve roads, ports, railways and airports.

Egypt stands poised to make real infrastructural and economic gains

Rory Keith, Conference Director

www.egypttransport.com/news

The conference, hosted by IQPC Middle East will be a unique opportunity for vendors and suppliers to offer their solutions and meet buyers from key government authorities, developers and consultants from Egypt.

"With so much moving forwards in the field of transport infrastructure in Egypt, now is the opportune time to engage with Egypt's fast-expanding transport sector. Our expert speakers will discuss the pressing challenges and opportunities facing the future of transport in Egypt at a time when they will be looking for potential partners to help achieve their objectives." - Rory Keith, Conference Director, Egypt Transport Infrastructure Summit

Speakers at this industry summit will include:

- Prof. Dr. Khaled Abbas, Professor of Transport Planning & Traffic Engineering; Founder & Chairman of Transport Planning & Traffic Engineering House (TPTEH); Ex- Dean of Egypt National Institute of Transport; Ex-Chairman River Nile Authority
- Eng. Ismaeel El Nagdy, Chairman, National Authority for Tunnels (NAT), Egypt
- Dr. Eng. Saad El Gioshy, Chairman, General Authority for Roads & Bridges & Land Transport (GARBLT), Egypt
- Azza Ghanem, Vice-Chairman, Transport Planning Authority, Egyptian Ministry of Transportation
