Larry S. Gerovac has given us yet another masterpiece -- a fantasy entwined with reality.

Stacy Baker, Acquisitions Editor

"I have always enjoyed fantasy stories based on religion, especially if they involved angels and prophets. Each book took about six months to write, but the story was floating around in my head for years. I love the fantasy side of the story... These two books will end after Armageddon is won or lost," shares Gerovac.

A review from Acquisitions Editor, Stacy Baker, states: "Larry S. Gerovac has given us yet another masterpiece -- a fantasy entwined with reality. His stories provide juicy twists, mystery, and excitement while incorporating truths and values in Christianity".

Published by Tate Publishing and Enterprises, the book will be available upon its release, through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.

Larry S. Gerovac was born and raised in the Midwest. He is a first generation American US Navy Veteran, ex-Air Traffic Controller, and a retired nuclear worker. He loves science, science fiction, fantasy, and horror. His goal is to entertain readers for many years with some truly out-of-this-world stories.
