RIVERSIDE, CALIF. --, UNITED STATES, January 8, 2015 /EINPresswire.com/ -- RIVERSIDE, Calif. – Riverside artist Tony Ruiz shares with listeners a poignant and inspirational recording in his album, "Gratitude: Songs from my Heart" with Tate Music Group.

A collection of songs intent on providing listeners with moving, rousing, and original music, "Gratitude: Song from my Heart" was inspired by the work Ruiz

does with those hurting from addictions and homelessness. Tony hopes to bring hope, encouragement to people going through a rough patch and to encourage them to keep moving forward with the help of Christ.

“

If he did this for me, he will do it for anyone willing to open up their hearts and receive his Love, Grace, and tender Mercy.

Tony Ruiz

Tony Ruiz experienced the depth of Addiction for many years as he was connected with one of the most notorious cartels in a border City with Mexico, where he was born and raised. After serving the Lord faithfully for 15 years faithfully, circumstances in his life took him back to the wilderness for another 10 years with his eyes wide open. There he had a profound experience with Jesus Christ and realized that He is truly the Way, the Truth and the only life worth living. Tony's commitment is one of a total desire to serve him out of gratitude and appreciation for raising him from his death bed

and giving me life eternal and abundant life here and now.

"If he did this for me, he will do it for anyone willing to open up their hearts and receive his Love, Grace, and tender Mercy," expresses Ruiz in an interview.

Produced by Tate Music Group, the album "My Dream" will includes 8 tracks which will be available nationwide at the Itunes Store, Amazon.com, or directly from TateMusicGroup.com.
