

Corporater Asia Technologies Named Among the Top 50 Fastest-Growing Companies in India by Silicon India Magazine

Corporater Asia Technologies the wholly owned subsidiary of Corporater AS headquartered in Norway, features among the top 50 fastest growing companies in India.

CHENNAI, TAMIL NADU, INDIA, January 13, 2015 /EINPresswire.com/ -- Corporater, one of the leading providers of enterprise performance management software, today announced that it has been named one of the [top 50 fastest-growing companies](#) in India by Silicon India Magazine. The company was selected for the list based on its significant customer and revenue growth in the year 2014.

Corporater's growth was largely attributed to the continued adoption of its enterprise class performance management solution platform, which is now used by over 1000 organizations worldwide. Corporater's strategic partnerships and distribution channels in APAC & African markets have given the key impetus for this growth.

"We are in an interesting position, with organizations turning towards business-user-friendly solutions that offer the winning mix of functionality, ease of use and proven value. We attribute this growth to the trust shown by our customers and reassure our commitment in bringing world class performance management solutions at the best value and high ethical standards," said Madhavan Gopalarathnam, Director APAC & Africa at Corporater. "We are happy to be named in [Silicon India's Top 50](#) fastest growing companies in India"
