

Rated ETA is Delighted to Announce Stan Houston will Represent the Company as its New Spokesman

Rated ETA has executed a contract with Stan Houston to retain his services and assist the company in promoting the corporate brand and identity.

ATLANTA, GEORGIA, USA, January 14, 2015

/EINPresswire.com/ -- Rated ETA announced today that Stan Houston has been signed as the company's Spokesman. Effective immediately, Stan will serve as the exclusive spokesperson for the organization for a period of no less than two years and will be responsible for promoting the corporate brand and identity throughout all forms of media.

Stan Houston is a passionate actor who recently completed the role of Sheriff Jim Clark in the epic movie Selma. The Awards Circuit currently places Houston at #23 on the list for 2015 Oscar predictions for Best Supporting Actor. "Stan's remarkable acting talent and depth of knowledge in television and film production, coupled with his small business acumen and marketing savvy, makes him a remarkable resource, and we are delighted to welcome Stan to the Rated ETA family," said David Griffith, Senior Partner.

"Being a part of this dynamic industry and working with so many wonderful people is an honor. Now I have an opportunity in playing another role as a corporate spokesman, with a company that helps simplify the employment process and introduces new talent to the Television and Film Industry in Georgia," said Stan Houston.

As more productions are filmed throughout Georgia, there will be an increasing demand for talented cast, crew, and background actors. With Rated ETA's platform scheduled for release in Q1 2015, employment opportunities are now centralized to benefit the individual talent and the companies who require qualified resources. Rated ETA is an industry leader in the development and utilization of talent for the entertainment industry. Rated ETA's proprietary technology platform matches an individual's attributes, training and experience with specific requirements for Film and Television Production making it easy to save time and make money in one of the fastest growing industries in Georgia.
