

ICM Opens 28th Annual CMII/IPE Symposium Call for Speakers

ICM seeks presenters with fresh ideas in the area of enterprise-wide configuration management and Integrated Process Excellence using CMII

PHOENIX, AZ, USA, January 27, 2015 /EINPresswire.com/
-- Speaking proposals are now being accepted for the [28th Annual CMII/IPE Symposium](#), held September 21 – 22, 2015 in Denver, Colorado. The annual event offers unparalleled educational opportunities for organizations that are striving to achieve Integrated Process Excellence.

Institute of [Configuration Management](#) seeks presenters with fresh ideas in the area of enterprise-wide configuration management and Integrated Process Excellence using CMII. Case studies illustrating success in achieving Integrated Process Excellence using CMII as well as implementation issues, solutions, and results are highly valued.

Join an elite group of leaders from manufacturing and engineering firms by sharing your CMII success stories. The deadline for speaking proposals is August 15, 2015. Full information on the CMII/IPE Symposium and how to submit speaking proposals is available [here](#).

Attendees that completed the post event survey for the 27th CMII/IPE Symposium had a 90% satisfaction rate. An attendee from last year's event wrote, "I really liked the speakers having such a variety of backgrounds in terms of the industries served and where each company is at in its CMII journey. For an individual and company that are barely in our infancy the broad range was VERY helpful and reassuring. I was also able to pick up multiple contacts from the different companies and hope to coordinate some benchmarking trips in the near future."

Past speakers include leaders from Delphi, Baxter Healthcare, Otterbox, ATK, Zodiac Aerospace, Philips, Gulfstream Aerospace, Medtronic, and more. Join these leading organizations by sharing your CMII story.

About the CMII/IPE Symposium

The CMII/IPE Symposium unites leaders from the configuration management field with a forum to learn from and share success stories. This event is very professional and educational. This year marks the 28th Annual event hosted by the Institute of Configuration Management. For more information visit <http://icmhq.com/cmii-annualconference/>.

About Institute of Configuration Management

ICM provides organizations with the most direct path for achieving integrated process excellence using CMII. ICM's goal is to help organizations establish a business process infrastructure that can accommodate change, keep requirements clear, concise and valid and achieve consistently conforming results.
