

Flippers Pizzeria Unveils Hot New Menu Items

An updated menu is released by the Orlando pizzeria.

ORLANDO, FL, USA, February 5, 2015 /EINPresswire.com/ -- Since the very first restaurant was opened in 1987, Flippers Pizzeria's commitment to fresh, honest ingredients has never changed. One thing that does continue to change, however, is the pizzeria's menu—always providing customers with exciting new flavor combinations, year after year.

2015 is no exception. A new [pizzeria menu](#) is already being unveiled to hungry customers craving fresh new tastes. According to Kelly Pfister, Marketing Director at Flippers Pizzeria, new specialty pizzas being unveiled include the Mexicana and the Salsiccia Rustica. Customers can try them starting this February.

"The Salsiccia Rustica features DOP-certified San Marzano tomatoes pureed with a touch of sea salt, sweet sausage, prosciutto, roasted garlic, caramelized onions, fresh Mozzarella, and finished with fresh oregano and extra-virgin olive oil," said Pfister. "The Mexicana highlights the robust flavors of Mexican cuisine, with chipotle sauce, ground beef, chopped tomatoes, yellow onions, green peppers, roasted red peppers, fresh jalapeños, sharp cheddar, and ranch drizzled on top."

The new Chicken Romano brick fired sandwich isn't a pizza, but it's sure to tempt the taste buds of customers. Pfister says it includes fresh marinara sauce, breaded chicken breast, roasted grape tomatoes, fresh Mozzarella, Romano, and fresh basil. It joins the ranks of other tasty sandwiches like the Italian Meatball, Roasted Veggie, Italian Club, Pesto Chicken, and Steak & Cheese. Pfister recommends washing down any of their fresh pizzas, sandwiches, salads, and more with an IZZE® Sparkling Juice, a new addition to the pizzeria's beverage selection.

New menu items can be enjoyed by dining in any one of Florida pizza restaurant's 15 locations or by carry out or delivery. Ben Richardson, VP of Operations at Flippers Pizzeria, reminds customers that they can select from two incredible crusts for their perfect pizzas, including Traditional or Neapolitan Thin.

The Mexicana highlights the robust flavors of Mexican cuisine, with chipotle sauce, ground beef, chopped tomatoes, yellow onions, green peppers, roasted red peppers, fresh jalapeños, sharp cheddar, and ranch drizzled on top.

"No matter which pizza crust our customer selects, they can expect the freshest, most delicious pizza," said Richardson. "Quality is paramount in our restaurants, and our customers can taste that difference when their pizzas leave our signature brick ovens, baking at a consistent 600 degrees."

Since 1987, Flippers Pizzeria has been pairing fresh, honest ingredients with friendly customer service and the [best pizza deals](#) for the very best restaurant experience possible.
