WARRENVILLE, ILLINOIS, USA,  
February 5, 2015 /EINPresswire.com/ --  
This Chicago area company is helping its customers in having [Valentine's Day](#) be a day to remember. The personalized gifts launched at [www.LovesARose.com](http://www.LovesARose.com) hold the words "I Love You" or "Will You Marry Me?" imprinted on the delicate flower petals of real, preserved roses preserved with platinum, 24k gold, or silver. These distinctive, [personalized roses](#) deliver a message that is spoken from the heart becoming cherished keepsakes.

The real roses -- which have long been a message of love for weddings, anniversaries, and birthdays -- have been hand-picked, carefully selected and preserved at the peak of their beauty, then trimmed in the precious metals. The flowers, which come in an array of colors and sizes, are available with

engraved crystal vases, or set in museum cases, cherish boxes, or shadow boxes with personalized messages. Custom messages can also be engraved onto Heart Charms that hang from the bud of the flowers. LovesARose.com offers special packages which include [free Selfies](#), personal photos on Heart Charms, that adorn the roses. In addition to gold roses, LovesARose.com also offers gold tulips, roses with copper trim, and real preserved lilies and orchids.

"The legend of the beautiful rose has been for centuries an expression of love, a symbol of perfect happiness, unity, and joy. This romantic bloom is one of the most cherished flowers as its language speaks from the heart and soul. Gold, platinum, and silver are precious metals of earth. These timeless symbols of richness, beauty, and love have been wonderfully combined in our roses becoming the messengers to celebrate the one you love," stated Sid Fey, CEO. "Our roses take on a very personal love note. Words that have beauty and meaning are imprinted onto the flower petals creating a very memorable and cherished gift," concluded Fey.
