

Men, Women, Sex, Love & Intimacy!

As we approach Valentine's Day, Crystal Andrus Morissette (three-time bestselling Canadian author) is available to discuss Men, Women, Sex, Love & Intimacy.

TORONTO, ONTARIO, CANADA,
February 6, 2015 /EINPresswire.com/ --
World-renowned women's advocate
helps you understand what men really
want and women really need!

Celebrating nearly seven years of
marriage, join Crystal and Aaron as they

share their own marital triumphs and tribulations; how they've overcome tough times, and how they've decided that their love will always find a way!

Crystal has developed the Emotional Age (EA) is a similar concept to Biological Age but rather than predicting how young or old our physical bodies are, Emotional Age helps us understand how empowered or disempowered our emotional state of mind is, which determines how we show up in all of our relationships, including parenting, our love and sex lives, even with our weight! Emotional Age (EA) helps explain how we've been communicating, compromising, socializing, and interacting with others.

Crystal Andrus Morissette has recently completed her fourth book, *The Emotional Edge* (Random House Publishing), and has created an interactive [Emotional Age Quiz](http://www.swatinstitute.com/take-emotional-age-facebook-quiz/) to help women, in particular, understand their Emotional Age! Crystal has coached A-list celebrities such as Kate Beckinsale and has shared the stage with speakers like Dr. Phil, Naomi Judd, Suze Orman, Louise Hay, Sarah Ferguson and many more.
