VapeFest® is a social convention, educational forum, and industry networking event for smokers and vapers who would like to learn, share their experiences, view and purchase the latest products, and socialize in a friendly meet-and-greet atmosphere. It is open to adults 18 years and older.

A select variety of 50+ industry manufacturers and retailers will have vaping products available for purchase with many more sponsoring prizes. Workshops on topics such as Beginners' Basics, Safety and Rebuilding, and Advocacy for Vaping Rights will be led by industry leaders including Mike (Zen) Morgan of House of Hybrids, Greg Conley, of the American Vaping Association, Cynthia Cabrera, of SFATA (Smoke Free Alternative Trade Association), Joe Barnett of the Vaping Militia, and National Vapers Club officers.

There will be give-aways and raffle prizes. Guests are encouraged to relax and enjoy the after-parties. Friday night Vapefest Karaoke has become a note-worthy tradition and the Saturday night after-party will feature Electro Swing with DJ PlateSmith.

"We put the 'fun' in fundraiser with this totally enjoyable, extremely friendly event!" NVC Secretary and community personality, "Malice Doll" explains. "It's a great place to sit and chat with other vapers, see and buy the latest products from the hottest makers and stores in the world, learn all about legislative efforts by the leading vaping advocates and, of course, witness the inevitable 'Vapefest Karaoke!' Most importantly your support helps fund our advocacy and research efforts throughout the year."

Launched in 2009, Vapefest is the longest running vape event in the nation and has grown exponentially over the past few years as smokers' interest in e-cigarettes has also grown. The
