LOS ANGELES, CA, USA, February 7, 2015 /EINPresswire.com/ -- [55Printing.com](http://55Printing.com) is in the business of printing and design, having successfully catered to all sizes of businesses for over 12 years, delivering the highest quality cheap postcards, brochures, business cards and door hangers just to name a few. It's no secret that traditional newspaper companies have been hard hit by the internet and social media era, but when it comes to advertising, some things never change. Traditional methods such as [postcard printing](#) are just as great as ever.

At a recent trade show, the company spokesperson for 55Printing.com was quoted as saying, "Postcard printing and advertising is an extremely effective form of direct mail. It will literally get directly into the hands of the consumer that you are trying to reach. It can be an invaluable tool to any marketing plan." Companies of all sizes have been using cheap postcard printing companies for ages in an effort to reduce overhead costs, while still penetrating their target demographic using effective means.

As of press time we were able to confirm that Rad Clish, one of 55Printing.com's recent customers was quoted as saying, "Many vendors have done [postcards printing](#) for me, but this one's the best!" Postcard printing is quickly rising to the top as a great marketing tool and a great way to reach a targeted audience. During a press junket, the company spokesperson for 55Printing.com went on to say, "We use only the best printing solutions for all of our products and for all of our customer's designs. We do not put profits over quality, because we believe that with good quality, comes even more satisfied clients."

55Printing.com is quickly becoming the "go-to" solution for all business printing needs.
