

SMi Announce the Top 10 Key Reasons to Attend Lyophilisation & Freeze Drying USA

SMi's Lyophilisation & Freeze Drying USA conference takes place on the 29th – 30th April 2015 at the Renaissance Woodbridge Hotel in Iselin, New Jersey, USA

ISELIN, NEW JERSEY, USA, February 10, 2015 /EINPresswire.com/ -- Top 10 Reasons to [Attend](#) Lyophilisation & Freeze Drying USA Include:

1. **EXPERTISE:** Building on the success of the European Lyophilisation series, SMi takes Lyophilisation & Freeze Drying to North America, providing the perfect location to discuss the latest in freeze drying technology, industry developments and strategy.
2. **UNRIVALED SPEAKER LINE-UP:** The packed agenda will feature 20 presentations including keynotes from Patheon Pharmaceuticals, Biopharma Technology, Genzyme, Explicat Pharma GmbH and Genentech.
3. **OVER 15 HOURS OF CONTENT:** Immerse into a universe of new insights on key topics such as process efficiency, advances in temperature mapping, formulation development, quality by design in freeze drying, controlled nucleation, spray drying alternatives and concentrated solid dosage formulations.
4. **CASE STUDIES:** Hear an array of case study led addresses and learn from our KOLs representing 4 of the leading pharma companies: Bristol-Myers Squibb, MedImmune, Merck & Co and Novo Nordisk.
5. **STRATEGY:** Receive strategic guidance on drug product development using a QbD approach for commercialisation and hear the success story of a lyophilised product to market.

6. ROUND TABLE DISCUSSION: Discuss quality by design and the future of pharmaceutical freeze drying in a round table led by the Managing Director of Explicit Pharma, Andrea Weiland. Drawing from her experience in pharmaceutical technology, Dr Weiland will assess the advances in alternative drying technologies, explore best practise and evaluate QbD strategies for lyophilisation.

7. PROCESS ANALYTICAL TECHNIQUES & STRATEGIES (PAT): 4 exclusive keynotes with a focus on life cycle development, freeze drying of parenteral products, heat flux measurement, hot and cold spot determination, plus much more.

8. INTERACTIVE WORKSHOP: The interactive post conference workshop entitled Quality by Design Strategies for Lyophilisation, will be hosted by Biopharma Technology Ltd. Designed to be an interactive session with group exercises, it discusses how QbD might be successfully applied to the freeze-drying process, as well as upstream activities (formulation, filling, loading) and post drying issues.

9. NETWORKING: Ample opportunity for discussion, including 2 morning coffee breaks, 2 networking lunches and 2 afternoon tea sessions. Make new contacts, meet old friends and form the relationships you can count on in the future.

10. EARLYBIRD SAVINGS: Book before the 27th February for the early bird discount of \$100.

Lyophilisation & Freeze Drying USA is sponsored by Ellab Inc, iQ Mobil, Millrock Technology, One 2 One Hospira and SP Scientific
