

Popular Healthy lifestyle company, Quitgate.com, introduces weight loss/management products to its growing product list.

Quitgate is helping a teeming number of people take control of their life. From ex-smokers who deal with weight gain to non-smokers who just want to keep fit.

PLAINFIELD, NJ, UNITED STATES, February 12, 2015 /EINPresswire.com/ -- Leading Smoking Cessation platform has announced today, that it is launching a new range of products in its bid to continue to help people live free. The company which is currently headquartered in Plainfield, New Jersey, combines evidence-based counseling, nicotine replacement therapies, [natural stop smoking aids](#) supplements and on-going support to help people quit using tobacco products and overcome addictions to nicotine.

Based on a holistic approach that incorporates healthy eating and exercise, the Company's launch of [weight loss/management](#) products is from popular demand. A number of smokers who quit report some weight gain and are tempted to return to the deadly habit of smoking just to remain "fit". Quitgate, a concerned and customer-focused company has stepped up to the challenge to help smokers achieve a healthy body and comfortable weight while they quit smoking. The company reiterates that the weight loss products are also for non-smokers who want to take control of their health through great diet, exercise and supplements.

"Quitgate is the entrance and/or [destination for all quitables](#), be it smoking, over-weight e.t.c. As a company that prides itself as providing all round support for smokers, we are thrilled to announce the launch of Weight Loss products today," says Emmanuel Odiase, Founder. "We don't want people to quit here and then when they notice a weight gain, they go somewhere else. That's not total care. We want to be a platform that helps people live complete healthy lifestyles", he continued.

The Company, with its unique approach, is dedicated to living out its mission of saving lives.
