

Elysian Launch New Fragrance Finder For Valentine's Day

Interactive Online Tool Helps You Find the Perfect Fragrance for Your Valentine

LONDON, UK, February 11, 2015 /EINPresswire.com/ -- Finding your signature scent can be a tricky task, even more so if you're trying to find the perfect fragrance for that special someone. Luxury retailer [Elysian](#) has just made the challenge of finding a Valentine's Day gift a whole lot easier, thanks to its innovative new online tool.

This entirely new and enjoyable way to shop for fragrances invites shoppers to visit Elysian's website and take their interactive [Fragrance Finder](#) Quiz to help them find the perfect gift this Valentine's Day.

The Fragrance Finder helps you choose a scent for your loved one by guiding you through a short series of questions based on your valentine's personality and what activities they enjoy. Once the Fragrance Finder has gathered all the information about your partner, the technology then recommends a perfume or aftershave that fits with their character and taste.

Victoria Louise Coleman, of Elysian says: "we're delighted to announce the launch of our new Fragrance Finder. We know how difficult it can be for people to choose the perfect scent for their partner and that's why we came up with the idea of the online tool.

We would encourage anyone who is having a tough time trying to find a scent that their partner will love to visit our website and give our interactive quiz a go. The whole process takes less than one minute, there's no sign up required and you might just make someone's Valentine's Day extra special."

A special discount will be given to anyone who shares Elysian's Fragrance Finder on their social media pages before Thursday the 12th February.
